

InsurTech Rising

InsurTech Rising, Europe's largest InsurTech event, will bring together over 700 attendees for three days of insight from leaders at the industry's cutting edge. Attend from 16-18 October to...

- hear how insurers are harnessing the power of InsurTech to accelerate their digital transformation
- see the latest innovations in action from over 100 handpicked InsurTechs
- connect with key players shaping the InsurTech sector
- gain a crucial understanding of the InsurTech landscape, future trends and how to successfully position your business in the industry's digital future
- learn about the technologies that will transform the industry, from blockchain to artificial intelligence
