# Call for Papers- Health Insurance

## The «St.Galler Trendmonitor»

The «St.Galler Trendmonitor für Risiko und Finanzmärkte» serves as an early warning system for current trends in the realm of Financial Services/Insurance. The quarterly magazine aims to facilitate the exchange of knowledge between academia, business, and policymakers by featuring practice-oriented articles on varied focal topics. In this context, the editors of the magazine invite the submission of innovative contributions from both practitioners and academics on **Health Insurance** for review.
